FIRE 1410	Building Construction	3	
FIRE 2486	Emergency Medical Technician	9	
FIRE 2511*	Company Functions	3	

Total Credits 24

*Requires a prerequisite or a concurrent course

This 24-credit Certificate seamlessly transfers to the Fire Technology AAS (60 credits).

Program Outcomes

- Fire service professional skills and qualifications for leadership and supervision
- Using the Incident Command System in both daily operations and emergency operations
- Career and promotional opportunities both within and outside of the fire service
- Organizational and professional communications techniques for the workplace
- Creating a safe working environment in both emergency and non-emergency situations
- Creating and developing the changes needed for the future of fire service

Pre-program Requirements

Students must complete a Medical Physical documenting they are medically cleared to wear a self-contained Breathing Apparatus (respirator) as well as verification of current vaccinations.
