

Fire Science and Administration AS Degree - 60 credits
 Program Area: Fire Technology (Fall 2020)

*****REMEMBER TO REGISTER EARLY*****

Program Description

The Associate of Fire Science and Administration degree is designed to build a broad base of knowledge for the Fire Service. This program is intended for the Fire Fighter seeking promotion and/or one who plans to transfer into a related four-year bachelor's degree program. This degree follows the Fire and Emergency Services Higher Education (FESHE) model created by the National Fire Academy (NFA). To facilitate distance learning all courses are offered fully on-line.

Program Outcomes

- Fire service professional skills and qualifications for leadership and supervision
- Using the Incident Command System in both daily operations and emergency operations
- Career and promotional opportunities both within and outside of the fire service
- A strong base of knowledge in both liberal and technical education far beyond the Associate in Science
- Organizational and professional communications techniques for the workplace
- Creating a safe working environment in both emergency and non-emergency situations
- Creating and developing the changes needed for the future of the fire service
- Fire prevention activities including inspection, preplanning, investigation, and public fire education

Required Courses

Number	Name	Credits	Term
FYE 1000	First Year Experience	1	
FIRE 1401	Today's Fire Service	2	
FIRE 1404	Fire Behavior and Combustion	3

Program Articulation

See Program Director for list of current articulations.

Pre-program Requirements

Successful entry into this program requires a specific level of skill in the areas of English, mathematics, and reading. Program entry will depend, in part, on meeting the prerequisites listed below:

English/Reading:

- A score of 250 or higher on the reading portion of the Accuplacer, or
- Completion of ENGL/READ 0950 or 0955 (or equivalent course or higher). ENGL/READ 0955 may be taken concurrently with Semester I coursework.

Mathematics:

- A score of 270 or higher on the Arithmetic portion of the Accuplacer, or
- A score of 236 or higher on the QAS portion and a score of 236 or higher on the Arithmetic portion of the Accuplacer, or
- Completion of MATH 0460 (or equivalent or higher). Math 0460 may be taken concurrently with Semester I coursework

There are other ways to qualify. Visit [LSC Accuplacer](http://lsc.edu/Accuplacer) (lsc.edu/Accuplacer) to find out more.

For interpretation of test results and selection of appropriate coursework;
