

Radiologic Technology, AAS Degree - 78 credits

Program Area: Health (Fall 2019)

*****REMEMBER TO REGISTER EARLY*****

**THE ELECTRONIC PROGRAM APPLICATION MAY BE FOUND ON THE LSC WEBSITE.
APPLICATION DATES TO APPLY ARE DECEMBER 15TH – JANUARY 15TH ANNUALLY.**

Program Description

Radiologic Technology, the foundation of medical imaging, is an exciting blend of advanced technology and patient care. Excellent communication and critical thinking skills, an aptitude for science, and a compassionate nature are essential for success in the field. As Radiographers, graduates have opportunities to use their knowledge of anatomy, physiology, and physics to create permanent images that help physicians diagnose illness, injury, and disease. The Radiographer is an integral member of the health care team during emergencies and surgery as well as during standard radiographic and fluoroscopic procedures.

Career and continuing education opportunities are diverse. Hospitals, clinics, health care facilities, industrial plants, educational centers, research centers, and government agencies offer employment.

Program Outcomes

Students will:

- Students will cultivate critical thinking skills for effective clinical competency.
- Students will develop communication skills for effective clinical competency.
- Students will exhibit awareness of the importance for professional growth and development.
- Students will demonstrate clinical competence.

Qualified applicants should be aware that program class sizes are limited, which may delay acceptance into the program.

You may be required to complete additional (or less) coursework, dependent upon the results of your Computerized Placement Test (CPT) and/or previous coursework completed or certifications awarded.

Pre-Program Courses

***Courses may require a prerequisite. Refer to the course outline or check with an advisor.**

General Education courses that are required may be taken prior to entering the program, as long as the specific prerequisites for that course have been met. Please check with your advisor. All pre-program courses in the program need to be completed with a grade of "C" or better to progress into the next semester. To be considered program ready for fall, the minimum cumulative GPA of pre-program courses must be 3.0 or better.

Pre-program Requirements

Successful entry into this program requires a specific level of skill in the areas of English, mathematics, and reading. Program entry will depend, in part, on meeting the prerequisites listed below.

English/Reading:

- A score of 78 or higher on the reading comprehension portion of the CPT,
- OR completion of ENGL0950 or READ0950, which may **not** be taken concurrently with Semester I coursework,
- OR ENGL0955 or READ0955, which may **not** be taken concurrently with Semester I coursework,
- OR equivalent transfer course or higher

Mathematics:

- A score of 71 or higher on the Elementary Algebra skills portion of the CPT,
- OR completion of MATH0460, which may **not** be taken concurrently with Semester I coursework,
- OR its equivalent course or higher

NOTE: You will need a recent physical examination including current immunizations and a current negative Tuberculosis (TB) screening. Current certification in American Heart Association: BLS Healthcare Provider or American Red Cross: BLS/CPR for Healthcare Providers is required for all clinical courses. Program students will complete CPR during the first semester for RADT 1558 Clinical Radiography I. Proof of current registration as a Certified Nursing Assistant, Certified Medical Assistant, or equivalent. Background Study approval is required from the State of Minnesota and/or Wisconsin. A national criminal background study is required by some clinical sites. Students assigned to a clinical site requiring a criminal background study will be informed of this requirement prior to the start of the clinical experience.
