

Business Administration AS Degree - 60 credits

Program Area: Business Administration (Fall 2018)

REMEMBER TO REGISTER EARLY

Program Description

This program builds working students' competencies to assist in career advancement and provides general education courses for those who intend to transfer into a baccalaureate program at a chosen four-year college. The program's electives in both liberal arts and business allow students to customize their education to meet individual career objectives, as well as fulfill varying transfer requirements. Students wishing to transfer earned credits to a four-year college should consult an advisor as early as possible to ensure appropriate program planning.

Program Outcomes

- Apply effective business administration concepts and tools
- Understand contemporary business strategies
- Demonstrate analytical skills in identifying and solving problems
- Apply marketing, management, and economic concepts in a business setting
- Apply accounting principles and practices
- Demonstrate financial management skills
- Demonstrate administrative management skills
- Demonstrate interpersonal communication skills
- Plan, prepare, and deliver effective oral and written communications
- Make business decisions in compliance with the law
- Create statistically reliable and valid data
- Demonstrate understanding of statistical data for business decisions
- Utilize effective software applications for business administration

Program Articulations

This program has excellent articulation agreements in place with various colleges and universities that allow the student to transfer most (if not all) of their credits earned in the Business Administration program, should the graduate decide to pursue a bachelor's degree in business administration. Current articulations include:

- The College of St. Scholastica, BA in Management http://www.mntransfer.org/download.php?id=4453
- Franklin University, BS in Business Administration http://www.mntransfer.org/download.php?id=4272
- Metropolitan State University, BS in Business Administration http://www.mntransfer.org/download.php?id=4739
- Minnesota State University Moorhead, BS in Project Management http://www.mntransfer.org/download.php?id=6046

Pre-program Requirements

To begin your career in Business Administration, you need to be at college level English/reading and mathematics.

English/Reading:

- · A score of 78 or higher on the reading comprehension portion of the Accuplacer, or
- Completion of ENGL/READ 0950 or 0955 (or equivalent course or higher). ENGL/READ 0955 may be taken concurrently with Semester I coursework.

Mathematics:

- · A score of 71 or higher on the Elementary Algebra Skills portion of the Accuplacer, or
- Completion of MATH 0460 (or equivalent course or higher). MATH 0460 can be taken concurrently with Semester I coursework.

For interpretation of test results and selection of appropriate coursework; or general information about the program, admissions, financial aid, and getting started at LSC, contact the professional team at pat@lsc.edu or 218-733-7601

For specific information about the Business Administration AS Degree including course descriptions, course prerequisites, the gainful employment disclosure, and potential career opportunities, see program website: https://degrees.lsc.edu/business-administration/
