

Paralegal Studies Certificate - 30 credits

Program Area: Paralegal Studies (Fall 2022)

*****REMEMBER TO REGISTER EARLY*****

Program Description

The Paralegal Studies program is a course of study for those interested in becoming non-lawyer legal professionals. A paralegal (sometimes called a legal assistant) is, in the words of the American Bar Association, a person "who performs specifically delegated substantive legal work for which a lawyer is responsible." Paralegal employers prefer applicants who have completed a formal paralegal training program. Students learn to use the technology and software commonly found in a modern law office and receive practical instruction in legal terminology, state and federal court systems, legal document preparation, substantive and procedural law, legal research, and client interaction.

This 30-credit Certificate seamlessly transfers to the Paralegal Studies AS (60 credits) and Paralegal Studies AAS (60 credits).

The 30-credit Paralegal Studies Certificate is an advanced program that prepares students with prior background for paraprofessional positions in the legal field. Graduates will leave with a solid education in basic legal principles.
