Program Description
The Practical Nursing Program is designed for students to complete a two-semester program of study, after completing pre-technical courses/requirements, in practical nursing that utilizes both theory and clinical course work as well as laboratory simulation. Upon completion of this program, graduates are eligible to take the NCLEX-PN (National Council Licensure Examination for Practical Nurses). Once licensed, graduates of this program are eligible to apply to LSC’s Nursing AS Advanced Standing LPN Track to further their education in nursing.

Program Outcomes

- The practical nurse graduate will adapt to the diverse and ever-changing roles in a variety of health care systems.
- The practical nurse graduate will apply critical reasoning and evidence-based practice while providing safe and competent care to clients in all stages of development and at any point in the health/illness continuum.
- The practical nurse graduate will use the nursing process in meeting the health care needs of individuals of diverse sociocultural identities across the lifespan.
- The practical nurse graduate will participate as a member of the interdisciplinary health care team through effective communication in the delivery of client care.
- The practical nurse graduate will demonstrate professional behaviors and accountability to legal and ethical nursing practice standards while being mindful of each client’s inherent worth and dignity.
- The practical nurse graduate will monitor patterns and activities that may lead to unsafe practice.

Admission to the Practical Nursing program is competitive, based on pre-program GPA requirements and TEAS score.
Qualified applicants should be aware that program class sizes are limited, which may delay acceptance into the program. You may be required to complete additional (or less) coursework, dependent upon the results of your Computerized Placement Test (CPT), and/or previous coursework completed, or certifications awarded.

General Education courses that are required may be taken prior to entering the program, as long as the specific prerequisites for that course have been met. Please check with your advisor. All courses in the program need to be completed with a grade of “C” or better to progress into the next semester.

**TEAS Exam with a score at or above 58.6% on ATI TEAS required for program entry.**

**Pre-program Requirements**

Successful entry into this program requires a specific level of skill in the areas of English, mathematics, and reading. Program entry will depend, in part, on meeting the prerequisites listed below.

**English/Reading:**
- Eligible for ENGL 1106 – College Composition I, or
- Completion of ENGL/READ 0950/0955 (or equivalent or higher). ENGL/READ 0950/0955 may not be taken concurrently with Semester I coursework.

**Mathematics:**

There are other ways to qualify. Visit [Course Placement](https://lsc.edu/course-placement) to find out more.

**NOTE:** All of the following are required upon acceptance into the nursing program:
- Current immunizations and current negative Tuberculosis (TB) screening.
- Current certification in American Heart Association: BLS Healthcare Provider or American Red Cross: BLS/CPR for Healthcare Providers and First Aid is required upon acceptance into the nursing program. ALTH 1430 will satisfy this requirement.
- Proof of current registration as a CNA, Military Medic, CMA, COTA, PTA, Rad Tech, Respiratory Tech, or EMT/Paramedic.
- Background Study approval is required from the State of Minnesota/or Wisconsin. A National criminal background study is also required.
