Welding Technologist Diploma - 32 credits
Program Area: Integrated Manufacturing Welding (Fall 2023)

***REMEMBER TO REGISTER EARLY***

Program Description
The Welding Technologist Diploma is a one-year program designed to provide an intermediate career pathway in manufacturing, specific to the field of Welding Technology. This 32 credit Diploma is designed to prepare the student for employment as an entry to intermediate level welding or fabrication technologist. This program allows students to gain the information needed to develop skills used in the welding industry. This program covers introductory GMAW, GTAW, FCAW, SMAW, and OXY/Fuel welding processes. Instruction includes classroom lectures and demonstrations, as well as hands-on projects in a lab setting.

This 32-credit Diploma seamlessly transfers to the Welding Diploma (65 credits).

Most of the courses in the INMG Welding Technologist Diploma are offered on-site in a lab setting with some of the courses offered online.

Program Outcomes
- Demonstrate proper welder use and safety
- Interpret welding blueprints and drawings
- Interpret weld symbols
- Demonstrate proper welding processes
- Demonstrate cutting process
- Demonstrate various weld transfers
- Select base metals with weld-ability
- Demonstrate weld and setup using GTAW
- Demonstrate weld and setup using GMAW
- Demonstrate proper GMAW wire selection
- Demonstrate proper fabrication layout
- Prepare student for welding certification

***REMEMBER TO REGISTER EARLY***

Pre-program Requirements
To begin your career in Welding Technology, you need to be at a specific skill level in English/reading and mathematics.

**English/Reading:**
- Eligible for ENGL/READ 0955 – Read/Write College Prep: Advanced, or
- Completion of ENGL/READ 0950 or 0955 (or equivalent course or higher). ENGL/READ 0950 may be taken concurrently with Semester I coursework.

**Mathematics:**
- A score of 250 or higher on the Arithmetic portion of the Accuplacer.

There are other ways to qualify. Visit Course Placement (lsc.edu/course-placement) to find out more.

For interpretation of test results and selection of appropriate coursework; or general information about the program, admissions, financial aid, and getting started at LSC, contact the professional advising team (advising@lsc.edu) or 218-733-7601

For specific information about the Welding Technologist Diploma, including course descriptions, course prerequisites, the program report, and potential career opportunities, see the program website (https://www.lsc.edu/transfer-degrees/)
