

Fire Science and Administration AS Degree - 60 credits

Program Area: Fire Technology (Fall 2018)

*****REMEMBER TO REGISTER EARLY*****

Program Description

The Associate of Fire Science and Administration is designed to build a broad base of knowledge for the Fire Service. Targeted for the Fire Fighter who is seeking to learn more, for those interested in seeking promotion, and for transfer into a four year program, the degree is designed following the Fire and Emergency Services Higher Education (FESHE) model created by the National Fire Academy (NFA). The general courses are from the Minnesota Transfer Curriculum and many general courses and all technical courses are available on-line to facilitate distance learning.

Program Outcomes

- Fire service professional skills and qualifications for leadership and supervision
- Using the Incident Command System in both daily operations and emergency operations
- Career and promotional opportunities both within and outside of the fire service
- A strong base of knowledge in both liberal and technical education far beyond the Associate in Science
- Organizational and professional communications techniques for the workplace
- Creating a safe working environment in both emergency and non-emergency situations
- Creating and developing the changes needed for the future of the fire service
- Fire prevention activities including inspection, preplanning, investigation, and public fire education

Required Courses

Program Articulation

See Program Director for list of current articulations.

Pre-program Requirements

Successful entry into this program requires a specific level of skill in the areas of English, mathematics, and reading. Program entry will depend, in part, on meeting the prerequisites listed below:

English/Reading:

- A score of 78 or higher on the reading comprehension portion of the Accuplacer, or
- Completion of ENGL/READ 0950 or 0955 (or equivalent course or higher). ENGL/READ 0955 may be taken concurrently with Semester I coursework.

Mathematics:

- A score of 71 or higher on the **Elementary Algebra Skills** portion of the Accuplacer, or
- Completion of MATH 0460 (or equivalent or higher). Math 0460 may be taken concurrently with Semester I coursework

For interpretation of test results and selection of appropriate coursework;
