

Information Processing Assistant Diploma - 36 credits

Program Area: Administrative Support Careers (Fall 2018)

*****REMEMBER TO REGISTER EARLY*****

Program Description

This program is designed to prepare the student for employment as an Information Processing Assistant utilizing word processing skills. Information Processing Assistants perform a full range of office tasks. They may handle incoming and outgoing mail, type documents and forms, transcribe business documents from dictation, file and retrieve records, handle telephone calls, and make travel arrangements. They use a wide variety of office equipment including computers, transcribing machines, calculators, and photocopiers.

The Information Processing Assistant Diploma transfers seamlessly into LSC's Administrative Office Specialist AAS Degree.

Program Outcomes

- Plan and produce professional written business correspondence using correct English and proofreading skills
- Plan and deliver verbal presentations using correct English skills
- Demonstrate keyboarding production proficiency
- Apply ARMA indexing and filing procedures and rules
- Transcribe various types of material into mailable documents using correct English skills
- Exhibit ethical behavior, positive self-image, and professional conduct
- Utilize computer productivity software for business applications
- Develop a job search plan, appropriate documents, and exhibit appropriate interview skills
- Apply learned program skills and knowledge to work or simulated situations
- Analyze and record business transactions, generate reports, and prepare financial statements
