Program Description

This program provides the foundations for individuals to function as creative artists in visual media. Many courses are available both on campus and online. Graduates also will be able to meet the goals of the Minnesota Transfer Curriculum and transfer.

Program Outcomes

Upon graduation, students will be able to

- Create, perceive, and respond to art utilizing a critical foundation of art knowledge and skills.
- Demonstrate advanced techniques of personal expression and the ability to think critically and creatively.
- Address concrete and abstract ideas with creative problem solving skills.
- Demonstrate a balanced exposure of art which includes studio courses in 2-D and 3-D mediums.
- Demonstrate an understanding of art in an historical context.
- Demonstrate a critical foundation of knowledge that broadens their definition of art.
