

## Aviation Management AAS Degree - 60 credits

Program Area: Aviation (Fall 2016)

**\*\*\*REMEMBER TO REGISTER EARLY\*\*\***

### Program Description

The Aviation Management AAS degree provides a comprehensive background in aviation studies, management, and business, and prepares students for careers in airline operation, air transportation, airport management, airport consulting, aircraft manufacturing, sales, and aviation insurance. In addition to a broad spectrum of aviation course electives, students may also take flight training lectures and flight labs to train for their FAA pilot certification in fixed-wing and/or rotorcraft aircraft.

### Program Outcomes

- Apply government regulations, security and safety standards, and safety, and environmental concerns to support implementation of appropriate strategic and tactical business methodologies
- Utilize technology to enhance airport and airline efficiency and competitiveness
- Speak and write effectively for professional business communication in the airline industry

### Pre-program Requirements

Successful entry into this program requires **basic computer skills** and a specific level of skill in the areas of English and reading. Program entry will depend, in part, on meeting the prerequisites listed below:

#### English/Reading:

- A score of 78 or higher on the reading comprehension portion of the Accuplacer, or
- Completion of ENGL/READ 0950 or 0955 (or equivalent course or higher). ENGL/READ 0955 may be taken concurrently with Semester I coursework.

#### Mathematics:

- A score of 71 or higher on the **Elementary Algebra Skills** portion of the Accuplacer, or
- Completion of MATH 0460 (or equivalent course or higher).
