

Business Administration AS Degree - 60 credits

Program Area: Business Administration (Fall 2016)

*****REMEMBER TO REGISTER EARLY*****

Program Description

This program builds working students' competencies to assist in career advancement and provides general education courses for those who intend to transfer into a baccalaureate program at a chosen four-year college. The program's electives in both liberal arts and business allow students to customize their education to meet individual career objectives, as well as fulfill varying transfer requirements. Students wishing to transfer earned credits to a four-year college should consult an advisor as early as possible to ensure appropriate program planning.
