

Practical Nursing/PN Military Medic, Diploma - 40 credits

Program Area: Health (Fall 2017)

*****REMEMBER TO REGISTER EARLY*****

Program Description

The Practical Nursing/PN Military Medic Program is designed for students who are military medics to complete a two-semester program of study, after completing pre-technical courses/requirements, in practical nursing that utilizes both theory and clinical course work as well as laboratory simulation. Upon completion of this program, graduates are eligible to take the NCLEX-PN (National Council Licensure Examination for Practical Nurses). Once licensed, graduates of this program are eligible to apply to LSC's Nursing AS Advanced Standing LPN Track to further their education in nursing.

Program Outcomes

- Adapt to the diverse and ever-changing roles of the Practical Nurse in a variety of health care systems.
- Integrate critical reasoning and evidence-based practice while providing safe and competent care to clients in all stages of development and at any point in the health/illness continuum
- Utilize the nursing process at the Practical Nurse scope of practice in meeting the health care needs of individuals of diverse sociocultural identities across the lifespan
- Interact effectively with clients, peers, and members of other health care disciplines utilizing current technologies.
- Provide Nursing care that is reflective of the ethics and values of the nursing profession and to be mindful of each client's inherent worth and dignity.
- Assess patterns and activities that may lead to unsafe practice.

(Note: BIOL1005, BIOL1140 & BIOL1141 is required for progression to Associated Degree Nursing)

Admission to the Practical Nursing program is competitive, based on pre-technical GPA requirements and TEAS score.

Qualified applicants should be aware that program class sizes are limited, which may delay acceptance into the program.

You may be required to complete additional (or less) coursework, dependent upon the results of your Computerized Placement Test (CPT) and/or previous coursework completed or certifications awarded.

General Education courses that are required may be taken prior to entering the program, as long as the specific prerequisites for that course have been met. Please check with your advisor. All courses in the program need to be completed with a grade of "C" or better to progress into the next semester.
