

Physical Therapist Assistant –Military Bridge, AAS Degree – 74 credits

Program Area: Health (Fall 2016)

*****REMEMBER TO REGISTER EARLY*****

Program Description

The Physical Therapist Assistant (PTA) program provides an opportunity to become an educated health care provider who delivers physical therapy services under the supervision of a physical therapist. The PTA is able to observe and assess the patient’s condition, teach exercises and activities of daily living, use specialized equipment, demonstrate professional skills while implementing treatment procedures, observe the patient’s response to treatment, and document. Physical therapy practitioners minimize physical disability, movement dysfunction, and pain. Physical therapist assistants may find opportunity to work in a variety of settings.

Program Outcomes

Graduates of the PTA Program will be able to:

- Work under the supervision of a physical therapist in an ethical, legal, safe, and effective manner.
- Implement a comprehensive treatment plan developed by a physical therapist.
- Communicate regularly with supervising physical therapists about the patient’s progress and the need for adjustments to be made by the physical therapist in treatment procedures in accordance with changes in patient status.
- Perform appropriate data collection techniques within the knowledge and limits of practice to assist supervising physical therapists in monitoring and modifying the plan of care.
- Interact with patients and families in a manner which provides the desired psychosocial support including the recognition of cultural and socioeconomic differences.
- Participate in the teaching of other health care providers, patients and families.
- Document relevant aspects of patient treatment.
- Participate in discharge planning and follow-up care.
- Demonstrate effective written, oral, and nonverbal communication with patients and their families, colleagues, health care providers, and the public.
- Demonstrate an understanding of levels of authority and responsibility; planning, time management, supervisory process, performance evaluations, policies and procedures; fiscal considerations for physical therapy providers and consumers; continuous quality improvement; and evidence-based practice.
- Demonstrate professional behaviors required for success in the field of physical therapy.
- Identify career development and life-long learning opportunities.
- Demonstrate knowledge of physical therapy principles and concepts.

Required Pre-Technical Courses			
Pre-technical course requirements must be completed before the student will be considered for full program acceptance.			
<ul style="list-style-type: none"> • Completion of an approved military training program per current program admission criteria • Satisfactory completion of all program entry requirements 			
54 PTA and pre-technical credits are granted when the student is completing their final semester of the program	54		
REQUIRED COURSES

*Courses may require a pre-requisite. Refer to the course outline or check with an advisor.			

Qualified applicants should be aware that program class sizes are limited, which may delay acceptance into the program.

You may be required to complete additional (or less) coursework, dependent upon the results of your Computerized Placement Test (CPT) and/or previous coursework completed or certifications awarded. General Education courses required by this program may be taken during any term, including prior to formal program acceptance, as long as the specific prerequisites for that course have been met. Please check with your advisor. All courses in the program need to be completed with a grade of "C" or better.

Pre-program Requirements

Successful entry into this program requires a specific level of skill in the areas of English, mathematics, and reading. Program entry will depend, in part, on meeting the prerequisites listed below:

English/Reading:

- A score of 78 or higher on the reading comprehension portion of the CPT,
- OR completion of ENGL0950 or READ0950, which may not be taken concurrently with Semester I coursework,
- OR ENGL0955 or READ0955, which may not be taken concurrently with Semester I coursework,
- OR equivalent transfer course or higher

Mathematics:

- A score of 33 or higher on the Elementary Algebra Skills portion of the CPT, OR
- Completion of MATH0520, which may not be taken concurrently with Semester I coursework.
- OR its equivalent transfer course or higher with a grade of "C" or better.

*Federal background study approval is required through Verified Credentials.
